# THE EEP PROJECT OF THE YEAR 2017 AWARD

---

We warmly encourage all EEP funded project developers to apply for the nomination.

The EEP S&EA will be hosting its sixth Knowledge Exchange Forum [KEF] on the 11th of October 2017 in Kampala, Uganda. During the KEF we will also announce the winner of the EEP Project of the Year [2017] competition.

---

## HOW TO APPLY FOR THE AWARD:

- Your on-going or completed project must be funded by an EEP S&EA grant;
- Fill out the application form and submit it [here](#);
- In the application form describe briefly why your project should be selected as the EEP Project of the Year 2017. Photos and videos can be included in the application.

## THE SELECTION WILL BE MADE BASED ON:

- Project idea and innovation;
- Project overall targets;
- Project management;
- Demonstrated innovation and lesson learned through implementation;
- Results (achieved and if still ongoing, the expected results with some assurance)
- Achieved results (if the project is still ongoing, the expected results with some evidence)

---

Three shortlisted finalists will be invited to present their projects at KEF Uganda where the winner will be announced.

The EEP Project of the Year 2017 will be awarded with an opportunity to participate in the world's leading startup event Slush Helsinki.

**PLEASE SUBMIT  
YOUR APPLICATION  
BY THE 15TH OF  
SEPTEMBER 2017!**

EEP will fund travel, accommodation and associated costs for one representative of the winning project to participate in Slush Helsinki on 30 November - 1 December, 2017 and meet international venture investors.
