Presenter: Chris Beland

Technical Programme Manager, Energy
Saving Trust

Overview of the cooling sector

EEP Africa Knowledge Week

Chris Beland,
Technical Programme
Manager, 6 February
2024

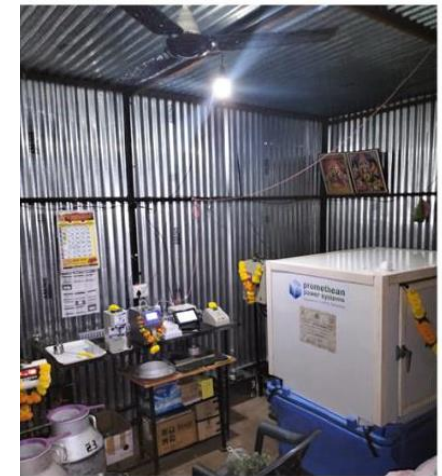

Efficiency for Access – Donor Coalition Members

WHAT DO WE MEAN BY OFF-GRID COLD STORAGE?

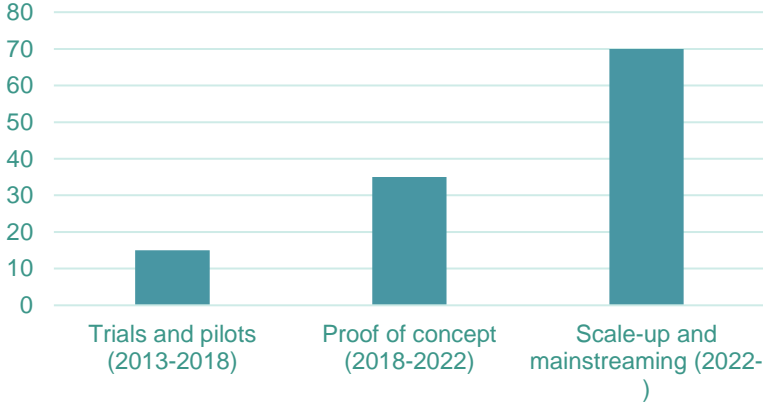

What is it?

- Cold storage / cold chain / cold rooms – terminology is key!
- Different technology solutions available for different purposes:
 - Walk-in cold rooms
 - Solar refrigerators
 - Mobile cool boxes
 - Cooling solutions designed for specific use cases such as milk chilling
 - And others...

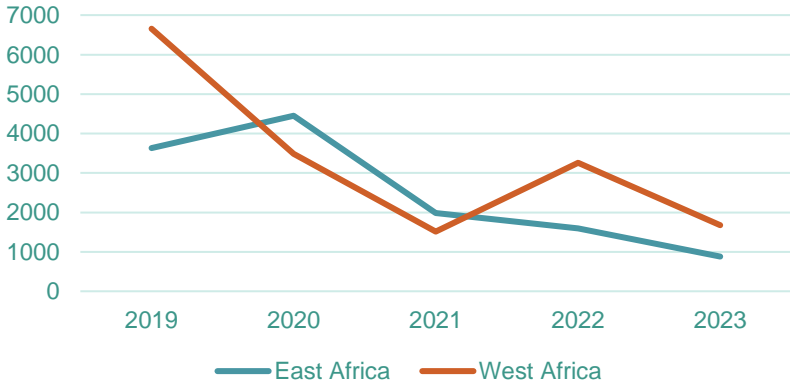

OFF-GRID SOLAR COOLING SECTOR: HIGH IMPACT POTENTIAL, WORK IN PROGRESS

Overview of funding across the cooling sector (in millions of USD)

Comparison of refrigeration unit sales in East & West Africa by year

It's complicated! A supporting ecosystem is needed
