

INVITATION TO APPLY

EEP will be hosting its third EEP Investor Forum in Cape Town on **14 May 2018**, on the eve of the African Utility Week conference and expo.

The EEP Investor Forum is a unique match-making opportunity for outstanding EEP project developers to meet potential investors and discuss funding opportunities beyond the EEP project. Following the success of the two previous EEP Investor Forums in Johannesburg and Nairobi, we are expecting a diverse and interesting range of investors to join the event in Cape Town.

At the event you will also hear about the new EEP Catalyst window.

EEP will pre-schedule one-on-one meetings based on funding needs of the project developers and preferences of the investors to ensure best possible matchmaking. The application process includes a questionnaire where you are requested to present your business case and funding needs.

Please submit your application by **18.4.2018** at 16:00 South African time [GMT +2:00].

Apply now for the opportunity to participate in the EEP Investor Forum.

Applications are submitted and accepted only through the application form.

We will review the applications and contact the selected projects with further information shortly after the application submissions.
